SculptureTour Salina (STS) is an annual juried competition and exhibition in Salina, Kansas. Salina is an extraordinary community boasting cultural organizations and venues of national acclaim.

The exhibition is open to all artists creating works suitable for outdoor display. Between 18 and 25 sculptures are selected and carefully sited in historic downtown Salina. Sculptures remain installed for one year and the program is marketed to provide both viewing enjoyment to community and visitors as well as a sales opportunity for participating artists.

To date, more than 30 sculptures have been purchased through STS exhibits, including ten **People's Choice Award** winners. The City of Salina designates up to \$15,000 for the purchase of the People's Choice winner (see page 2 for details). The sculpture is then installed in a public environment within the community as part of Salina's growing public art collection.

In addition to the People's Choice Award, \$4,750 in **Juror's Merit Awards** and \$1,500 in **Public Merit Awards** will also be given.

Exhibition Selection

The Selection Jury consists of seven members: STS Chair, Selection Jury Chair, an appointee from Salina Arts & Humanities and Salina Art Center, a STS sponsor and two additional qualified art professionals. Sculptures will be selected based on quality, artistic merit, design, craftsmanship, creative use of materials, scale, weather appropriate, and durable and safe for community display. Works will be selected in a wide range of media and expression.

Downtown Excitement

One of the biggest transformative projects in the history of Salina downtown was completed in 2020. Within the historic space we have a new entertainment center, several new restaurants, a five-story hotel, an athletic fieldhouse and other amenities, attractions and retail shops. We are also looking forward to a classic automotive museum and large-scale mural projects coming soon! Within this renovation, new sculpture pedestals were added to our new and enlarged pedestrian-friendly sidewalks.
